WHAT IS IT ALL ABOUT?

IT IS A SUSTAINABLE PROJECT that combines imagination, creativity and a desire for uniqueness, giving new life to unused materials to create something new.

HERE'S WHAT TO DO:

1. CHOOSE A PAIR OF SNEAKERS
2. CHOOSE THE KIT THAT BEST REPRESENTS YOURSELF
3. UNLEASH YOUR CREATIVITY AND PERSONALISE YOUR SNEAKERS

COURT - WHITE GREY BLACK

We chose this model for the project, but the various kits can be used on any model the customer prefers.

PE25DCOU58

HOW DOES IT WORK?

The customer can choose one or more kits according to their style among: MUSCHIO, PROVENZA, SICILIA, MAREA, and then match them with their favourite shoes.

In each kit there are three different laces, gold metal accessories and fabric charms. Since the kits are composed of unused and recycled materials and accessories, each kit is different, and its content may vary.
